Benefit Plan Co-payment/Co-insurance - The amount you pay for Prescription Drug Products.

* Only certain Prescription Drug Products are available through mail order; please visit myuhc.com® or call Customer Care at the telephone number on the back of your ID card for more information. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at the Retail Network Pharmacy.

** For Specialty Drugs from a Non-Preferred Pharmacy, you will be required to pay 2 times the Preferred Specialty Network Pharmacy Co-payment and/or 2 times the Preferred Specialty Network Pharmacy Co-insurance (up to 50% of the Prescription Drug Charge) based on the applicable Tier.

An Ancillary Charge may apply when a covered Prescription Drug Product is dispensed at your or the provider's request and there is another drug that is Chemically Equivalent. When you choose the higher cost drug of the two, you will pay the difference between the higher cost drug and the lower cost drug in addition to your Co-payment and/or Co-insurance that applies to the lower cost drug. The Ancillary Charge may not apply to any Out of Pocket Limit.

Other Important Information about your Outpatient Prescription Drug Benefits

The amounts you are required to pay is based on the Prescription Drug Charge for Network Benefits and the Out-of-Network Reimbursement Rate for out-of-Network Benefits. For out-of-Network Benefits, you are responsible for the difference between the Out-of-Network Reimbursement Rate and the out-of-Network Pharmacy's Usual and Customary Charge. We will not reimburse you for any non-covered drug product.

For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lowest of the applicable Co-payment and/or Co-insurance, the Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product or the Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the Prescription Drug Charge for that Prescription Drug Product. See the Co-payments and/or Co-insurance stated in the Benefit Information table for amounts.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Rider are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at myuhc.com[®] or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you may opt-out of the Designated Pharmacy program by contacting us at myuhc.com[®] or the telephone number on your ID card. If you want to opt-out of the program and fill your Prescription Drug Product at a non-Designated Pharmacy but do not inform us, you will be responsible for the entire cost of the Prescription Drug Product and no Benefits will be paid. If you are directed to a Designated Pharmacy and you have informed us of your decision not to obtain your Prescription Drug Product from a Designated Pharmacy, you may be subject to the Out-of-Network Benefit for that Prescription Drug Product. For a Specialty Prescription Drug Product, if you choose to obtain your Specialty Prescription Drug Product at a Non-Preferred Specialty Network Pharmacy, you may be subject to the Non-Preferred Specialty Network Co-payment and/or Co-insurance.

You may be required to fill the first Prescription Drug Product order and obtain 2 refills through a retail pharmacy before using a mail order Network Pharmacy.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy, you may opt-out of the Maintenance Medication Program by contacting us at myuhc.com[®] or the telephone number on your ID card. If you choose to opt out when directed to a Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy but do not inform us, you will be subject to the out-of-Network Benefit for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain PPACA Zero Cost Share Preventive Care Medications that are obtained at a Network Pharmacy with a Prescription Order or Refill from a Physician are payable at 100% of the Prescription Drug Charge (without application of any Co-payment, Co-insurance, Annual Deductible, or Annual Drug Deductible) as required by applicable law. You may find out if a drug is a PPACA Zero Cost Share Preventive Care Medication by contacting us at myuhc.com[®] or the telephone number on your ID card.

Please contact us at myuhc.com[®] or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.
