## Eligible Health Care FSA Expenses

Below is a partial list IRS eligible medical, dental, and vision services that can be reimbursed through an FSA. While not listed below, over-the-counter medications prescribed by a physician are still eligible for FSA reimbursement. This list is subject to change and without notice due to new legislation. For a complete list, log on to <u>www.NueSynergy.com</u>.

Acquanture     Therapy, physical or speech       Alcoholism treatment     Eyeglasses, prescription (includes prescription sunglasses and over-the-counter reading glasses)       Ambulance service     Fertility treatment (ovulation predictor kits and pregnancy tests, in vitro fertilization, surgery or operations to reverse a prior surgery that prevents you from having children)       Artificial limb/teeth     Guide dog or other animal used to assist persons with physical disabilities       Bandages, Band-Aids, wraps, and splints     Health institute       Breast-reconstructive surgery following a mastectomy     Hearing aids and batteries       Brith control pills (Norplant, ovulation kits)     Hospital services       Braille books and magazines     Insulin, syringes       Christon Science Practitioner fees     Laboratory fees       Christian Science Practitioner fees     Meal (only as part of inpatient hospital care)       Contace threes, brought     Meals (only as part of inpatient hospital care)       Cuttches/braces & supports     Meals (only as part of inpatient hospital care)       Cuttches/braces & supports     Nursing home (ff necessary for medical care and only the portion for medical services)       Dental treatment (include exams, x-rays, fillings, root canals, gun disease treatment, crowns, bridges, dentures, and implants; does not include costaric it. AtSIK, etc.)     Opterations (legal operations that are not cosmeti	Eligible Medical Expenses	
and over-the-counter reading glasses)   Ambulance service Fertility treatment (ovalation predictor kits and pregnancy tests, in vitro fertilization, surgery or operations to reverse a prior surgery that prevents you from having children)   Artificial limb/teeth Guide dog or other animal used to assist persons with physical disabilities   Bandages, Band-Aids, wraps, and splints Health institute   Breast-reconstructive surgery following a mastectomy Hearing aids and batteries   Birth control pills (Norplant, ovulation kits) Hospital services   Braille books and magazines Insulin, syringes   Christian Science Practitioner fees Lead-based paint removal   Contact Lenses/solution Legal fees (fees you pay that are necessary to authorize treatment for mental illess)   Contraceptives Meals (only as part of inpatient hospital care)   Crutches/braces & supports Mursing home (if necessary for medical care and only the portion for medical services)   Dental treatment (includes exams, x-rays, fillings, root canals, gum disease treatment, erowns, bridges, dentures, and implants; does not include cosmetic treatments i.e. teeth whitening, bonding, etc.) Operations (legal operations that are not cosmetic in nature)   Drug dependency treatments Orthodontia Orthodontia   Drugs (prescriptions) Orthodontia Orthodontia   Pregnary test kits Transplants (donor expenses, if you pay those expenses)   Preguancy test kits T	Acupuncture	Therapy, physical or speech
